CAREER OBJECTIVE

I am a BE Electronics and Communication Engineering student with a keen interest in emerging technologies and continuous learning. I enjoy problem-solving and applying technical knowledge to real-world challenges through hands-on experience. I aim to grow as a skilled engineer while contributing effectively to innovative projects.

TECHNICAL KNOWLEDGE

- LANGUAGES KNOWN : JAVA , C
- TOOLS : Ansys hfss , Solidworks, Fusion 360
- Graphic Design : Canva
- Analog electronics
- Digital electronics
- Network theory
- Microcontroller (8086/ 8051, ARM)

EXPERIENCE

ROBOMIRACLE TECHNOLOGIES Pvt Ltd, Coimbatore

JUN 2025

- Completed a 15-day internship at **ROBO MIRACLE TECHNOLOGIES** from **9.06.2025 to 26.06.2025**, where I gained practical exposure to real-time technical applications and hands-on project development. The experience helped me strengthen my problem-solving skills, teamwork, and understanding of industry-oriented workflows.

EDUCATION

Dr. N.G.P INSTITUTE OF TECHNOLOGY

2023 - 2027

COIMBATORE , TAMILNADU

CGPA : 7.91

SRINIVASA VIDHYALAYA MATRIC HR.SEC.SCHOOL (SSLC)

2021 – 2023

COIMBATORE , TAMILNADU

PERCENTAGE : 79%

PROJECTS

DESIGN OF CPW FRACTAL ANTENNA (2.4THz)

JUN 2025 – MAY 2026

STATUS : DESIGNED AND FABRICATED

- Currently designing and optimizing a fractal antenna for size reduction and multiband operation, analyzing key RF parameters using electromagnetic simulation tools while preparing for fabrication and validation.

AIRPORT AUTHORITY OF INDIA , COIMBATORE

NOV 2025 - 2026

RESEARCHER (WAITING FOR APPROVAL)

- Developed AVISHIELD, an intelligent safety system integrating AI-based vision, real-time monitoring and intrusion detection to enhance runway safety under high-traffic and low-visibility conditions.

INVENIRE , COIMBATORE (ONGOING PROJECT)

- **Patent Approved – RELIEVO:** Successfully obtained patent approval for RELIEVO, an innovative solution focused on practical problem-solving and sustainable application. Contributed to concept development, technical design and documentation during the patent-filing process.
- **Patent Approved – SURFACE GUARD:** Secured patent approval for SURFACE GUARD, a solution designed to enhance protection, durability and functional efficiency of surfaces. Actively involved in ideation, technical description and refinement of claims.

DESIGN OF MICROSTRIP PATCH ANTENNA (2.4THz)

Aug 2024 – May 2025

STATUS : COMPLETED

- Designed and simulated a microstrip patch antenna using MATLAB to operate efficiently at 2 GHz, followed by performance evaluation through radiation pattern and return loss analysis. The obtained results confirmed stable resonance, good impedance matching, and reliable signal radiation, validating the effectiveness of the design.

SMOKE DETECTOR SYSTEM (COMPLETED)

SEP 2023 – JUN 2024

- To develop a reliable and affordable smoke detection system. Ensure early warning to prevent fire- related damage and loss. Utilize efficient sensors and real-time alert mechanisms. Promote safety in homes, offices, and public space

LANGUAGES

- TAMIL
- ENGLISH

CERTIFICATION

- **NPTEL** :Hybrid course on water quality - An approach to people's water data (JAN – APR 2024)
- **Udemy** : Analog Electronics(2024)
- **Presentation** : Paper Presented in National Level Technical Symposium"INFERIX'24" at BIT.
- **Workshop** : National Workshop on Real time Applications Using LABVIEW With Arduino at PSG TECH

ONLINE CERTIFICATES :

- Great Learning, Microsoft, Google Cloud, Hp Life, Mathworks, Bently, UiPath, MongoDB

EXTRA CURRICULAR

VOLLEYBALL

- Runners in 11 Park Alumni Trophy-2024 at Park College
- Fourth place in National Level Management Meet "ARTHASASTHRA 2025" at SNS College of Technology

POSITIONS OF RESPONSIBILITY :

Leadership & Responsibility

- Elected Class Representative, acting as a liaison between faculty and students while coordinating academic and administrative activities

Social Service (NSS)

- Active National Service Scheme (NSS) volunteer, contributing to community service initiatives and social awareness programs.

Event Coordination

- Co-Coordinator – KANAM , HENOSIS (Intercultural College Event) at Dr. NGP iTech, managing planning, coordination, and execution of inter-college activities.

Sports Representation

- Served as Sports Representative, promoting sports participation and coordinating athletic events and team activities.
